Welcome to the *NEW* Turner Road Surgery Update

We are committed to keeping you informed on what is happening in the NHS and how this impacts services and patients at Turner Road Surgery.

FEATURE SPOTLIGHT

Changes for General Practitioner (GP) Surgeries

- More funding has been provided to support further GP recruitment, this will enable us to recruit both newly qualified and experienced GP's.
- In line with the new GP contract we are looking at ways to increase capacity with multiple options to book appointments.
- We will no longer be asking patients to call back at 8.00am when calling for an appointment.
- As part of the Quality and Outcomes Focus (QOF) there will be increased focus on long term conditions and improving care quality.

NHS 10 Year Plan

There is a plan to create "neighbourhoods" of local surgeries that support a minimum of 50,000 patients.

we currently work with Creffield, West Bergholt and Nayland and will be looking to include another surgery to reach the 50,000.

The neighbourhood scheme focusses on prevention rather than cure and we will look to work with the households that need the most support.

INTRODUCING

Patient Participation Group (PPG)

Are you interested in learning more about what is happening at the Surgery? Be involved in some of the changes, have a voice? If so, please email turnerroad.gp@nhs.net for more information.
